

tgbot::PassportElementError

```
graph BT; A["tgbot::PassportElementError Files"] --> B["tgbot::PassportElementError"]
```

The diagram illustrates an inheritance relationship. At the bottom is a gray rectangular box containing the text "tgbot::PassportElementError Files". A blue arrow points vertically upwards from the center of this box to the center of a white rectangular box at the top. The top box contains the text "tgbot::PassportElementError".
