

tgbot::PassportElementError

```
graph BT; A[tgbot::PassportElementErrorFile] --> B[tgbot::PassportElementError]
```

The diagram illustrates an inheritance relationship between two classes. At the bottom is a gray rectangular box containing the text 'tgbot::PassportElementErrorFile'. A blue arrow points vertically upwards from the center of this box to the center of a white rectangular box above it. The white box contains the text 'tgbot::PassportElementError'. Both boxes have a thin black border.
