

tgbot::InputMedia

```
classDiagram
    tgbot::InputMediaPhoto --|> tgbot::InputMedia
```

The diagram illustrates a class hierarchy. At the bottom is a gray-shaded box labeled 'tgbot::InputMediaPhoto'. A blue arrow points upwards from this box to a white box labeled 'tgbot::InputMedia' at the top. This indicates that 'tgbot::InputMediaPhoto' inherits from 'tgbot::InputMedia'.
