

tgbot::InputMedia

```
classDiagram
    tgbot::InputMediaAnimation --|> tgbot::InputMedia
```

The diagram illustrates a class hierarchy. At the bottom is a gray-shaded box labeled 'tgbot::InputMediaAnimation'. A blue arrow points vertically upwards from this box to a white box labeled 'tgbot::InputMedia' at the top. This indicates that 'tgbot::InputMediaAnimation' inherits from 'tgbot::InputMedia'.
